

Recent Projects

Latest Kaydon Bearings catalog has 132 pages of graphs, tables and technical data, painstakingly reviewed by engineers 180 miles away. Thank goodness for comment-enabled PDFs!

Not-so-new face

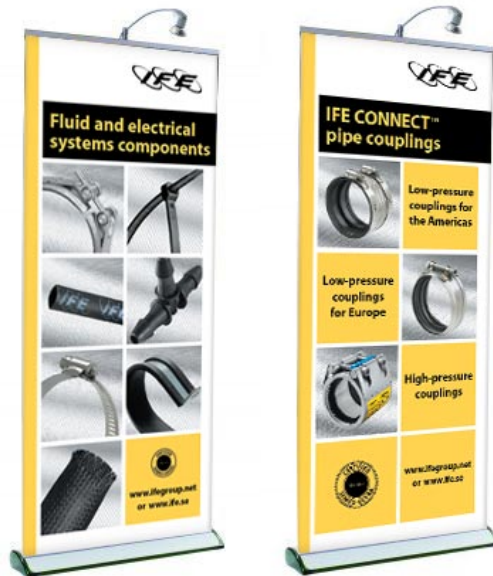

The Brewer team is pleased to welcome back account executive Jeff Bourque, who launched his advertising career as Brewer media manager 22 years ago.

He went on to serve as advertising manager for Schlumberger, account executive at G. Temple Advertising and president of Hemsing Advertising.

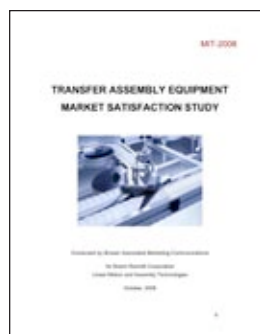

Jeff has an economics degree from the University of Michigan (the Spartans among us have long since forgiven him) and belongs to the Business Marketing Association. His email address is jeffb@brewer-associates.com.

Banner stands showcased the broad IFE product line at the National Industrial Fastener Show in Las Vegas.

International Automotive Components gets consistent branding in print and on-line ads, at home and around the world.

Recent benchmark research for Bosch Rexroth Corp. reported on market trends and perceptions of the company vs. competitors.

Brewer Associates will be closed
Dec. 24-26 and Dec. 31-Jan. 2.

Happy holidays to all!
